OCCUPANCY CLASS

TYPE OF CONSTRUCTION:

Contractors and/or subcontractors to be licensed with the State of Washington and have a current City of Lake Forest Park business license prior to performing work.

All provisions of laws and ordinances governing this type of work will be complied with. The granting of a permit does not presume to give authority to violate or cancel the provisions or any other state or local law regulating construction or the performance of construction.

Applications for which no permit is issued within 180 days following the date of application shall expire by limitation, plans and any other data submitted with this application for review is considered abandoned and will be destroyed by the Building Department.

The building official may authorize refunding of not more than 65% of the permit fee paid when no work has been done under a permit issued in accordance with this code if the application for a permit has been paid and is withdrawn or canceled. The building official shall not authorize refunding of any fee except with written request no later than 180 days after the date of fee payment.
