\*\*A City of Lake Forest Park business license is required to operate in Lake Forest Park. A contractor that is licensed by Lake Forest Park is required to be licensed by the state, bonded and insured. Any contractor conducting earthmoving or tree work in the City is required to review and sign a Statement of Tree Canopy Preservation and Enhancement Acknowledgment.

### Release/Hold Harmless Agreement

A permit issued pursuant to this application signifies only that the proposed project complies with City ordinances and regulations, and the applicant is advised that the City has not performed a risk assessment with respect to the project. In consideration of the issuance of the permit, the applicant, on behalf of him/herself and heirs and assigns, shall release, indemnify, and defend and hold the City of Lake Forest Park harmless from any and all damages and/or claims for damages, including reasonable attorney's fees, arising from or in any way related to the issuing of a permit pursuant to this application.

Endangered Species Act, U.S.C. 16.31, et. seq., may apply to this project, and that the applicant is responsible for complying with such other laws, the applicant shall release the City of Lake Forest Park, indemnify and defend it from any claim, damages, injuries, or judgments, including reasonable attorney's fees, arising from or related to violations of such other laws or regulations.

The applicant further understands that the applicant's contractor must procure and maintain for the duration of the project, insurance against claims or injuries to persons or damages to property which may arise from or in connection with the project authorized by the permit. The City of Lake Forest Park is not responsible to verify whether contractors not included on this permit application are licensed, insured and bonded.

By signing below you are certifying that the trees mentioned in this application to be removed are to the best of your knowledge on the property of the owner listed on this application. Before making application you should confirm that the limits of the property have been correctly identified.

### Affadavit of Posting Agreement

I agree to post the subject property as described in Lake Forest Park Municipal Code section 16.14.040. A notice must be posted a minimum of two days before removal and shall remain posted at least one week after the approved activity has been completed. When removal is taking place an approved tree permit must also be posted onsite. Failure to correctly post the property will result in the cancelation of an issued permit and enforcement under Lake Forest Park Municipal Code section 16.14.130.

**SIGN BELOW IF YOU INTEND TO REMOVE THE TREE YOURSELF WITHOUT CONSULTING A CONTRACTOR:**  
*I, the undersigned, am going to remove the tree(s) as owner/builder without consulting a tree removal contractor and grant permission for public officials and staff of the City of Lake Forest Park to enter the subject property for the purpose of inspection and posting attendant to this application.*

*I, hereby certify under penalty of perjury that I have read and examined this application and know the same to be true and correct*

**SIGN BELOW IF YOU INTEND TO HIRE A TREE REMOVAL CONTRACTOR TO REMOVE YOUR TREES:**  
*I, the undersigned, intend to hire a tree removal contractor to remove the tree(s) proposed for removal in this application and further understand that a city business license is required to operate in Lake Forest Park and have, therefore, included all of the information necessary to accurately identify the subject contractor. I, the undersigned, also understand that this permit will not be issued until the subject contractor has obtained a Lake Forest Park business license. I, the undersigned, grant permission for public officials and staff of the City of Lake Forest Park to enter the subject property for the purpose of inspection and posting attendant to this application.*

*I, hereby certify under penalty of perjury that I have read and examined this application and know the same to be true and correct*
