

Lake Forest Park Police Department

Sex Offender Notification

You are invited to attend a Sex Offender Notification Community Forum

A joint coalition of members from the DSHS (Department of Social and Human Services), DOC (Department of Corrections), staff from the Lake Forest Park Police Department, and Ambitions of Washington, will present information on new sex offenders moving into our community. The intent of the forum is to present information on these sex offenders.

During the meeting, there will also be an opportunity to ask any questions you may have regarding the WA Community Notification Act, so please join us with the purpose of protecting the public.
